EXPERIENCE

Senior Blockchain & Innovation Consultant 05/2022 – today
IBM – Bois-Colombes – CDI

- Leading the implementation of the Hyperledger Fabric blockchain solution for one of the blockchain practice key account, employing an agile approach to ensure adaptability to evolving project needs.
- Our efforts resulted in a contract extension worth over 50% of the original deal.
- Determining and managing tasks, issues, risks, and action items streamlining project workflows and mitigating potential roadblocks, resulting in a 30% reduction in project timeline disruptions.
- Scheduling and facilitating scrum events, meetings, and decision-making processes resulting in a 20% reduction in development time.

Accounting, Compliance & Reporting Consultant 06/2020 – 05/2022
EY - Courbevoie - CDI

- Conducted in-depth preparation and analysis of quarterly management accounting reports and year-end financial statements for a revenue range of 10 to 150 million €.
- Ensuring the accurate preparation, calculation, and timely submission of tax returns and payments, contributing to a 98% compliance rate, and avoiding penalties.
- Advised clients on financial matters by analyzing and reviewing accounts, successfully securing several million € in COVID-related supports
- Member of the EY innovation accounting team: provide analysis of the new technologies market and their impact on the accounting field

Accounting Consultant – International department 10/2019 - 06/2020
Audit CPA - Paris - CDI

- Conducted in-depth preparation and analysis of quarterly management accounting reports and year-end financial statements for a revenue range of 10 to 150 million €.
- Ensuring the accurate preparation, calculation, and timely submission of tax returns and payments, contributing to a 98% compliance rate, and avoiding penalties.
